Catalog Number: NBAB-110027

Version: RN6.0

Product Name	NebuSelect™ Anti-C1QC Polyclonal Antibody
Alias/Synonyms	AI385742, C1Q C, C1qc, C1QC_HUMAN, C1QG; Complement C1q subcomponent subunit C
Description	NebuSelect™ Anti-C1QC Polyclonal Antibody (CAT# NBAB-110027) was produced in rabbits immunized with purified, recombinant Human C1QC.
Host / Isotype	Rabbit / IgG
Type	Polyclonal
Immunogen	Recombinant Human C1QC Protein
Conjugate	Unconjugated
Tested Applications	IHC, WB, IF/ICC
Dilution	IHC 1:50-1:200 WB 1:1000-3000 IF/ICC 1:100-1:500
Tested Reactivity	human, mouse, Rat
Prediction	Pig(100%), Horse(100%), Dog(100%), Bovine(91%), Sheep(91%), Rabbit(91%)
Immunogen	A synthetic peptide corresponding to the center region of the Human C1QC protein.
Buffer	0.2 µm filtered solution in PBS, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol
Size	100ul; 500ul; 1ml
Storage	This product remains stable up to 18 months at -20°C. Avoid repeated freeze-thaw cycles.
